

## *Introduction*

---

---

This set of comprehensive teaching resources has been developed specifically for the **Mathematics Enhancement Programme: *Secondary Demonstration Project***.

We are very grateful for the help given to us by so many people - we hope that you will continue to help us by

- (a) providing feedback on these resources and the associated *Pupil Texts* and *Practice Books*;
- (b) making suggestions for revised/new activities for each unit;
- (c) referencing other relevant material, including software, in the final column provided in the *Schemes of Work* for each of the routes.

Please address correspondence, feedback and queries to:
