## OS1.2 National Lottery – Allocation of Money

---

About 50% of the income is allocated as follows:

Retail Commission	5%
Treasury Duty	12%
Operating costs and profit	5%
Good causes	28%

The remaining income is used to firstly

pay out £10 prizes

and **then** divided up in the following way:

Jackpot	52%
Bonus	16%
5 out of 6	10%
4 out of 6	22%
